RESPONSE

The Assistant Commissioner of Patents  
Washington, D.C. 20231

Sir:

This is in response to the Office Action dated March 14, 2003.

REMARKS

Applicants hereby elect Species I, Figures 1 and 1A, drawn to a system for verifying the authenticity of an object, the system comprising a signal source and three subsystems. Claims 22 - 28 are considered generic as acknowledged in the Office Action of March 14, 2003. Claims 29 - 33 are deemed to correspond to the species listed above. Upon allowance of a generic or sub-generic claim, Applicants will request consideration of claims to additional species.
